1) Pour l'application :

▼ WorkSpace

WorkSpace is a powerful teaching programme for the digital classroom. When used together with DualBoard™, Touch Board, Mobi View™ and Mobi™, the latest version of WorkSpace provides teachers open architecture so they can work with materials in multiple formats from any source.

*The trial expires after 45 days. Please contact us if you would like to speak to someone about purchasing the software.

If you are using a Touch Board, you will need to run Windows 7 or Windows 8 to benefit from the multi-touch gesturing for the most engaging, interactive classroom experience. If you are looking to upgrade existing software and using a version prior to WorkSpace v6.0, contact us so we may provide a code that will allow you to upgrade to WorkSpace v6.1.

[System Requirements](#)

| Download Options | Release Date | Version | Size (MB) | Notes |
|-------------------------------------|--------------|---------|-----------|---|
